“ Dear Stephanie, I am so sorry to hear about the passing of your father; I just read the obituary in the local paper. I remember him as a happy and jovial person who was so happy to have met and married your Mom. I remember him using humor to combat his frustration with his ex. aka "the witch". This past year must have been terribly enduring for you and your family. Losing him is a great loss and your family remains in my thoughts at this difficult time.  
Love, Kathleen
