“ To the staff of Villa Marie Claire Hospice, words cannot begin to describe the blessing you were to our bother Bob. Jeremey and Tara, I will never forget everything you did to make sure his every need was taken care of and to all Nurses, Aides, Dr's and the spiritual counselors and volunteers, Jacob, Ella, Dave and Robert. Thank you. Ring the large bell tied up with Bob's fishing line to the right when you enter .We will hold you in our hearts forever.

“ We may get together somewhere informally in the future to share stories, I will post on social media or here the details if we do until then we ask that you play "Record Year" by Eric Church, raise a Coors Light, his favorite, and toast that dimpled smile and those Irish blues eyes!

The Fuller family would like to specifically thank, Brian Stegan for being a rock and that guy Rick, Al, Anthony, Karen, Kellie, Meagan, Nicole whose relentless and unconditional love, made Bob's journey, a better one.

And those who were able to come visit and say goodbye, in his last days, he got to hear and hug childhood friends and distant family.

His greatest success is that the mention of Bob Fuller will evoke an instant smile, often followed by hysterical laughter.

The Fuller family is grateful to all the love and support.
