“ *Worked with Bob for 30 years. If you said something bad about someone, he would immediately say something good about that person. That's the kind of guy he was. He was the best!*

“ *Dear Chris and family. Bob and I worked together in DQB. He was one of the first to welcome me to the office. He was a great co-worker and we hit it off! I loved hearing his stories and sharing the box scores. We loved rooting for our Mets against all those Yankees fans in the office. Not only a co-worker, but a good friend. A real fighter to get well and he did. I am so very sorry for your loss. I accompany you in your sorrow. May he Rest In Peace in the glory of God.*
