“ *To the Wilkins family. I am deeply sorry to have read of Bob's death and regrettably, 7 years too late. Bob and I were best of friends growing up and I always treasure the memories we shared, the fun we had, and the trouble we usually found. He was truly a very generous soul and loyal beyond belief. This may go unread being it is so woefully late but if I have just reached one of his family to let them know how much I loved him it will be worth it.*

“ I wish I had the chance to tell you what a great husband and father you were to "our boys" as you would always call Rob and Mike. Although things didn't work out, you will always be in my heart. I will always be reminded of you when I see our beautiful grandchildren.##imported-begin##Cathy##imported-end##
