“ *Chi, you have our sincere condolences. Roger and I were second cousins, but we had been in touch since about 1960. Remember when you came out to Utah to see the train? And we didn't know and didn't even get to see you! When I was last in New Jersey (2018), you were in Colorado! Trains, again. Roger was always very kind to me and enjoyed a good life. He left many happy memories. My they comfort you. With sincere sympathy - Nancy and Bob Taniguchi*

“ *Chi, So sorry we missed seeing the Funeral Notice posting. We had the family here for the Holidays and limited access to my PC to search for obituary until last night. Know that both you and Roger remain in our prayers*
