“ *We were next door neighbors for many years. We had tomato plants that never bloomed. We came back from vacation and WOW there were lots of little tomatoes ...that Roland tied to my plants. You will be missed. Love from Danny and Frances Swartz....*

“ *Mr. Bianchi was my 8th grade English teacher - one of the finest I ever had! His love of literature, his wonderful sense of humor, his dedication to his students and the profession were just a few of the things that endeared him to me. He will be sorely missed in this world! My deepest sympathies to his family. Take heart in knowing that he touched his students lives in so many ways.*

*Most sincerely,

Kathryn and I were classmates. I share her beautiful expressions of admiration for Mr. Bianchi and her gratitude for how he touched our lives in ways that resonate even now...58 years later. May his family take some solace during this time in the knowledge that he...and his work...was appreciated and meant so much to so many.

*Very sorry to hear. Condolences to the family.
He was a nice man and a wonderful teacher.
He was my teacher in Washington and Honiss School.
As I remember he was loud sometimes, But gentle.
Someone I looked up to and admired as I grew up.
Funny too.. Confounded !! Was one of his favorite expressions.
His name was Mr. Bianchi, But most kids just called him Mr. B.
He was a very kind man, And my most favorite teacher of all.
You will be remembered well, And missed dearly.
Thank you Mr, B.*
