“ *Jim, I'm so very sorry for your loss. My mom and yours were friends for so many years and I remember them vividly, especially your mom. She was full of personality and very nice to me as a child. In the summer, I would walk across the street and sit with them on your front steps. I have a few memories to share if you are so inclined. Again, my sincere condolences.*

“ Our heartfelt condolences go out to you and your family. Ever since we became neighbors in 2014, Gerald and Roseanne were an almost daily presence in our lives. We will always miss Roseanne waving at us from the window and seeing Gerry outside almost every afternoon to chat with us about our commute to NYC. We will always keep you all in our hearts and prayers.

“ Jim,
I'm so sorry for your loss. Despite the years that have passed I still remember from when we were kids in Ridgefield Park how nice your mom was and how surprised she was to see me when I when I rode my bicycle up to Teaneck after you moved.
Again, I'm so sorry for your loss and that I missed the service.
