

Rosemarie Weinstein

April 2, 2020

Weinstein, Rosemarie Parete, a former 50 year resident of Palisades Park, NJ, passed away on April 2, 2020. She thoroughly enjoyed working with friends at Sears, Hackensack, for eighteen years, until her retirement. An avid baseball and sports fan, Rose's "69" Amazing Mets were her favorite team. You could find "Nanny" attending all of her grandson's little league baseball games. Later in life her great-grandson warmed her heart and gave her great joy. The family dog, Jack, was her buddy.

Rose is pre-deceased by her loving husband Stanley, who passed away in 1972. Cherishing her memories with love and laughter are her loving daughter Lynn Weinstein-Zahn, grandson Andrew Zahn, grand-daughter-in-law Silvia, and great-grandson Anthony. As a faithful contributor to the St. Jude Children's Research Hospital, Rose's family humbly requests memorial contributions in her name be made in her honor. “ *I will always remember Rosemarie, sitting in her back room--totally content and always so pleasant. Lynn was the best daughter that a mother could ever have hoped for. I'm so glad that Rosemarie was able to share in the joy of getting to meet, and love her great grandson. Rosemarie will be greatly missed. God rest her precious soul.*
