“ *Dear Mark and Elizabeth and Susie and families,
With deepest sympathy for your loss. Zia's love for you all and for Zio was an inspiration. I'll miss her caring presence across the miles--her cooking tips, the poppy seeds from her garden, her kindness in sending Christmas ornaments or photos or mom's hope chest and cooking pans. I'm grateful for the visits with her, Zio and Zia Aurora and for so many enjoyable conversations over the years. Cioa, ciao dear and bella Zia.*

“ *I will never forget introducing myself to you as your new neighbor. I will never forget watching you plant in your garden. I will never forget sitting outside and chatting. I will never forget your kindness. I will never forget you. May your journey to heaven be a speedy one and may you now rest peacefully. Your neighbors Rose and Joanne.*
