“ I miss you very, very much Dad. I promise you that I will take care of Mom and do what ever I can to always make her feel needed and loved. I never told you enough times how much I loved you, but I hope and pray that you always knew this. You have always served as my inspiration in life and I attribute all that I know about God to you. The faith that I posses in God is totally due to the way you raised me. I want to thank you for that. I know we will be reunited one day celebrating the love we have for one another that was God's gift to us. Dad, I will never forget you and will pray for you daily. Please continue pray for me, my brothers, all of our children, and most especially, mom. Love, Rudy###imported-begin###Rudy Jr.###imported-end##
