“ To the family of the late Russell Thomas- I am so deeply saddened by the loss of my "big brother". Our families were so close that the Thomas boys and their parents helped my mother raise her young children. Over the years , our attachment to Russell, Ina and their family became even greater. My late mother adored her "adopted son". We spent many happy hours at the home of Russ, Ina and her young children. Even though distance has separated us, my loving memories of times gone by will always hold a special place in my heart. I wish you all God's peace, love and blessings, now and forever.
