

Ryan P. Tubridy

June 17, 2024

RIVER EDGE - Ryan Patrick Tubridy of River Edge, NJ died on June 17, 2024 at age 27. God's earth lost a compassionate, sensitive, and fun-loving young man.

In his younger years, Ryan played Little League and high school baseball, which was his passion. He was proud to be a Little League umpire in town. As an avid Yankee fan, he loved going to games in the Bronx with his dad. He had cherished memories of family vacations to Vermont and many national parks.

As an adult, Ryan enjoyed cooking and trying new foods and drinks with friends. Ryan's charming and engaging personality would immediately endear him to anyone he encountered and he was dearly loved by all those who were lucky enough to know him. Despite his daily challenges, he was always willing to lend an ear to those who needed someone to talk to in his genuine and understanding way.

Ryan's life was filled with people who loved him deeply and unconditionally. He was the beloved son of Tom and Kathy Tubridy, cherished brother of Colleen Ruffin and brother-in-law Andrew, and playful uncle of Sophia. He enjoyed sharing a good laugh with his many adoring grandparents, aunts and uncles, and cousins, including Lauren, Kristen, Samantha, Sean, James,

Katie, Michael, Christopher, and David.

“ My buddy, my best friend.. I knew Ryan as a gentle, caring and beautiful soul who looked out for others and even when at times misunderstood, you can see him for who he was; An elegant soul and caring human being. The struggles he went through were internal and dark, even so, anybody close to him would understand that he always meant the best. The memories I have of him have been some of the best times of my life. I wish I had got to be with him more the last year of his life. Even so, he is now in a better place and I believe he is watching over us. Love you Ryan and I miss you brother :)

“ I loved Ryan deeply. He held a special light over those he truly cared for and he tried to keep it on as long as he could. Trying to use that light on others, can deter us from facing our own shadow. He had his daily struggles, but not one to give up no matter how rough it got. I'm sorry I couldn't say goodbye. Condolences to your mom and dad. My heart is tearing in half writing this, I love and miss you Ry, please rest easy.
