“ Sadye was and still is a wonderful woman. I am so honored and blessed that I had her in my life. She was a great person to speak with. She was great for listening, great for advice, and just plain great. I remember seeing her in her last two weeks of her precious life. We laughed, gossiped, and even watched cartoons. She will be missed, but I know she is looking down watching over all of us. She was and will always be my friend and family. She is an angel, and I will never forget my time with her. To her family, I send my prayers. My Sadye, I love you. Lenie###imported-begin###Lelenie Glover###imported-end###

“ Sadye was a great friend and a wonderful listener we would talk on the phone many times while I was driving to work, visiting my husband when he was ill or talking about my grandson. I will miss her, but now have a greater resource above. Much love to Kana and Madison to whom meant the world to Sadye. I will miss her. I also hope that Linda and Della will see her joy. Amen Love to Sadye, Florence##imported-begin##florence hadnot##imported-end##
