“ *Monika, I came in this evening after having taken off a few days for Passover and heard about your mother's passing. Although it's very difficult losing a parent, I can only hope that she's at rest along with your sister. You certainly have done your best with being there for both of your parents. Our thoughts and prayers are with you and your family at this time. Sincerely, Kenneth and Sara Levine Jacob, Hannah, Matthew and Judah##imported-begin##Ken Levine##imported-end##*
