“ *So sorry to hear of the loss of Sandra. Justin, I always remembered your mother as a kind and giving individual - always with a smile on her face. I know that there is nothing I can say right now that would ease your pain even the slightest. All I can offer you is this simple reminder to hold onto the memories...your mom may be gone, but those memories will last forever.*

“ Sandy or as I always called her “Aunt Sandy” and my late mother (Patricia Rogers-Cardwell) were the best of friends. Aunt Sandy was a no nonsense type of person, very head strong and meant business. I will always remember her kindness when my Mother passed. She ALWAYS checked on my brother and myself. She was like a second mother to my brother and myself. I will forever keep her in my thoughts, and prayers. I will always remember her love. I miss her terribly, and deeply. My condolences to the Cloud family. May the Lord give you strength now and always.
