“ *Sera was one of us, part of a small close knit, crazy, fun loving bunch who came of age together in high school and remained friends ever since. More like a sister than a friend. Good Bye Sera you are gone much too soon, I'm glad I knew you. My deepest condolences go out to the entire Bergelt and Marino family.*

*Words can't describe what Sera meant to me. She was kind, loving, witty and compassionate. She was a dear friend, no a sister really. She loved you all SO much. Please know that I will always feel like a part of your family. I am heartbroken that I can't be with you. I am out of the country. Know that I am there in spirit and love. Prayers from all of us,
Viv*

a donation has been made in loving memory of Serafina to the American Cancer Society in our fervent hope we can aid and comfort those in pain and one day find the cure. We are most grateful we were able to come together and share some special occasions over the years. Serafina was a warm loving kind person that will be greatly missed by her family and all those that came in contact with her,

Cherish the memories the laughter and the smiles and remember always her love will remain with you always

“ *My dearest Sera
We met as freshman at St. Michaels all girls school. I did not know a single person when I started! But you were so kind, loving and reached out to me. That smile, ...those eyes full of compassion!!!! I was determined to NOT get close to anyone. After all, I would be at St Joe's the next year with MY friends. But your LOVE , sense of humor and loyalty won me over!!! I was thrilled that you would be transferring to St. JOES to join our group. We shared beautiful memories (Lunas pizzeria, the "cliffs", sleepovers , deep talks in the middle of the night.).
I was so blessed to have you as a true, loyal and life long friend! I will always remember you as my "sister", a devoted mother and wife and a "free spirit" that will reign in our hearts forever. May that "spirit" continue to live in Daniel, Bella and Neil! I will always love you! Viv*
