“ An unforgettable smile plastered on your handsome face.
As I grew, you forsake the broomstick and used me as your dancing partner.
The Rahki strings that we tie on our brothers wrists, a symbol of eternal love for our brothers, will forever bound me as a faithful sister to Steve.
Fun loving, always happy go lucky with feet made for dancing.
Wherever you went friends were waiting for you.
More than fifty years ago we took a trip on the D train from the Bronx to Brooklyn in the dead of night. You carried my suitcase.
Yes, my basket is full of memories. You have always loved people, born to smile and you taught others how to laugh through it all.

Dear Brother, know that no waters can ever wash you away.
No winds strong enough to blow you into Oblivion.
There will never be any fires so hot to burn you away for you are the Immortal Soul.
When you become grains of dust I will still be loving you my dear brother.
Death will never steal my loving memories.
In my heart, my love remains golden for a brother like no other.

Your favorite sister,
Love from Jan, niece Indy an nephew Marques
Thank you for everything.
May your ascended Soul Rest In Peace Profound.

“ *Why to say Goodbye?
When love never dies.
Let there be completeness yes
But no death.
Memories oh memories
Like the sweet music of Love
The flight through the skies
With your Beloved Charioteer
You flew away from the old nest so suddenly.
Just like bird closing its wings.
I remember your last words
They remain a comfort to me.
Smiles gone, chapter ended, pen back into inkwell.
Until we meet again.*

A sister's love, a timeless stamp.

*Profound Peace, dear Ascended Soul.
Love, Jan Indy and Marques.*

“ Steve never let me win one game of pool, ever.
But I never minded. Because I knew, at the end of a game, he
would slowly pull back from the table and give you that smile. That ,
what were you thinking challenging me to a pool game. Best bank
shooter I've ever played against. But it was so much more than that.
It was that you felt so welcomed in his place. And always great
conversations at the corner stool.
I will miss you buddy. I'll miss that smile.
All of love to Miriam and Stef and the whole family❤️❤️

I was saddened to learn of Steve's passing.
I'm honored and thankful to have met Steve almost 50 years ago
and to have called him my friend.
Steve's kind, gentle and thoughtful spirit touched so many lives. I
will cherish the memories of Steve entertaining and cooking,
especially when he prepared the grand feast, for all the mothers on
Mother's Day.
Steve will always be remembered for his big smile and sense of
humor.
My deepest and heartfelt condolences go out to you. I pray that God
will give you the courage and strength during this difficult time.
May his soul Rest In Peace.

“ *Fathers are a child's protector and a hero in their eyes. They are a child's best coach and fan. A father clears the path so the child can discover all about life. He gives us smiles of hope and holds us tenderly. He is a teacher by example of what a man can be. That's my DAD. I love so much and I know you feel my squeezes.*

*To The Hansil Family,
I just found out about the passing of Stephen. I met him several years back attending open mics at Hansils on Wednesday nights and quickly realized what a great environment he created for Music. He was always at his spot at the corner of the bar just enjoying the music and the people inside. It was such a family atmosphere and he created such a unique destination point for so many great musicians and wonderful people to gather. My deepest sympathy to Miriam, Stephanie and all of his family and friends. He was a wonderful man and will be greatly missed. Memory eternal.*
