“ Steve,

When I heard the news my friend I was at a loss for words. From the day I met you at our first interview I knew you were a great & caring person. It wasn't until after you came to work that I really grew to know the great man and devoted family man you really were. You were not only a great colleague & exemplar of your skill & craft but you also were a dear friend. You will be missed. My condolences and sympathies to your entire circle and family including Ann whom you always spoke so fondly of. May you rest in peace my friend. I will miss our conversations.

*Your Friend,
Ron Graziano*
