“ I really do not know how to express my feelings through a keyboard, but I always considered Subash one of my fathers. I have known him my entire life and enjoyed every minute of being with him. I never ever eat seafood, but as long as he would cook it, I would eat it just because it was so damn good! I appreciate everything he has done for me and all of the wonderful Ocean City trips he invited me to. I will always remember Subash and how great of a man he is to do so much for all of his children. He was truly a great man and I love him for that. Until we meet again my manz, you will never be forgotten.##imported-begin##Erol Akiska##imported-end##
