“ Susan was a wonderful woman. So full of love for her family, friends, others and animals. I was her dental hygienist for many years and always looked forward to seeing her. We had wonderful conversations and she made me smile. My deepest sympathy to Angelo and family.

“ Susan and I have been friends for many years. We have shared high school memories lunches in New York ,children's weddings,the joys of grandkids and endless conversations. We've laughed a lot and sometimes cried together. She was a great friend and will be my friend forever. I like so many have lost someone very special. My love and prayers go out to her family. She will be missed every day.

“ My sister Donna and Susan have been friends since high school so I would see Susan over the years. What I shall remember most about Susan is not only was she beautiful, but her smile and laughter would light up a room. I am so sorry for your loss. May God bring you some comfort in this most difficult time.

*Although I didn't really know Susan, I felt I knew her for many years through her mom Audrey. It is not surprising to me that Susan was a wonderful wife, mom, grandmother and daughter. My heartfelt sympathy for your loss. Only time will ease your pain. She will be in your hearts forever and watching over you.
