“ *To the Family of Thelma, My heart was broken when I heard about my dear friend and co-worker Thelma. She was a beautiful person to know and was a wonderful nurse to all the clients she cared for. After her retirement we kept in touch and we always meant to meet up for lunch. I am truly sorry that I did not get to share more laughs and memories about working in the health dept. I thank GOD for giving me the opportunity to know such a beautiful soul. She will be truly missed. Love Karen Applewhite##imported-begin##Karen Applewhite##imported-end##*
