“ I was so sad when I read of Ted's passing in the newspaper. It was already past the funeral. Ted was so sweet with his big grin and mischievous look. I found a picture of him that I took when he was our crossing guard in Oradell that I'd love to share with the family. I'll try to drop it off at Gloria's.##imported-begin##Katherine Norian##imported-end##

“ I was deeply saddened to hear of Ted's passing. I was a co-worker of Ted's at Scholastic Bus Co. and he was my bus aide for two years. He spoke often and proudly of his daughters and granddaughters and especially of his wife, whom he always referred to as "My Bride." I looked forward to our afternoons together and the kids on the bus adored him. (They still ask about him) Each day he greeted me with a big smile and a new joke. I will never forget him and I will miss him. Cynthia###imported-begin##Cynthia Giammanco###imported-end##
