And

the children said, “You will always walk with us, Mother, even when you have gone through the gates.”

And they stood and watched her as she went on alone, and the gates closed after her. And they said, “We cannot see her, but she is with us still.

A mother like ours is more than a memory. She is a Living Presence!”

This morning the sun lit bright as it came from behind a cloud some how I knew my Mom Theresa had guided me with her smile. I shed tears daily asking my God to comfort us through this temporary journey. I know Mom looks upon us with a order to remain strong so with a extra prayer I whisper I know you are not really gone.

Love always and Forever.

thank you, Kathleen, for being my mom's colleague in Our Lord's work, My Mom spoke of you as her coworker and your work as tour guide in the Cathedral of the Basilica of Saints Peter and Paul. My last card from her on this earth was how I inspired her, but I am the one who was fortunate and so blessed to be inspired by her strength, courage and grace. I will continue her work. Thank you for being her friend. I know you had fun. Blessings

“ Theresa and I worked together on the St Charles Borromeo Intake team of SVdP. While in the Parish Office, we laughed, cried, gabbed, shared stories and often prayed together. My heart is broken. She lived the belief that to help another person is to see the face of God. She will be sorely missed! Eternal rest dear friend!

“ I know you are in Heaven and the tears I shed are for me. I know all that, but I can't explain that to my heart, so that it will no longer grieve. I look for you and for a moment believe that there in a corner, your shadow I see. Life is not always as we want it to be, but knowing and accepting are things. I pray to God and some relief it brings, but a part of me is selfish and would of kept you here with me. Please forgive that weakness in me. Be at peace my dear friend "T"and know my love "❤️" is always with you. I am truly going to miss you 😞. Thank for your friendship.

“ *Theresa and I called each other East and West Coast BFF's. When she retired, we travel to the East Coast to visit her. We spoke on the phone often, even though we were thousands of miles apart. Our friendship was like no other. She is at peace. Love You my East Coast BFF*

Theresa and I attended the same high-school. We worked at the NYPDC beginning in 1975 and we were transferred to San Mateo ASC until we both retired in 2007 which at that time she moved back to NJ and I moved to NC. During our time in California we were very close, which continued after our retirement. She was the epitome of a true friend. We disagreed to disagree but we never argued. I can honestly say that we were like sisters. I am going to miss my friend My grand children called her aunt Theresa. That's how close we were. I am going to miss you. but I know that one day we will be reunited. Until then Sleep In Peace my sister

“ We will sorely miss our dear friend and travel buddy Theresa. We had great fun and bantering always on our way back from our Bowery ministry after feeding the homeless. Our trips to all these beautiful places were enhanced by her presence. I still have some of the funky jeans which she manage to talk me into buying while in Dubai. We celebrate you dear friend knowing you now are in a better place in heaven. That we believe 🙏

i am heartbroken at the human loss of my mom who over course of time became an inspirational friend and guide in this life. I watched her grow and evolve into a steward of God. She is with me every day through the signs I am blessed to witness through friends and family who share their experiences that everyday give strength. THANK YOU, ALL WHO MET, KNEW AND LOVED HER. I am grateful. Please pray that we each can take that service and extend upon those who need. Momma I love you TT
