“ Uncle Tom you will be greatly missed , you were there pushing me and encouraging me to fight my battle .I am so deeply saddened that you couldn't beat your battle, i know you fought hard . I always knew if i called ,you would be there to help guide and push me . The only comfort i can get with your passing is that your not in pain anymore which i knew you were in and i know you will be watching over me . Cancer may have taken you away from everyone who loved you but cancer will never take the memories we all have and shared with you . When i lost my dad i wasn't expecting to be losing you so soon you helped me with that grief . I will be strong ,i know God has a plan but right now i really don't know what it is . I will be there to help your family with the grief of your passing . I will always share my love for the Yankees i know you will be watching the games with me . I love you so much !

Love your Godson
Anthony
