“ *To my man, mentor and one of my PSE&G heroes. I will never forget the impact you have had on my career and life Tom. The difference you made was colossal and as long as I remain alive, I will keep your spirit alive, that is a promise. God rest your soul.*

To the Martin and Ciolino families, I assure you this is a huge loss for everyone that knew this man. God bless all of you.

“ My condolences to the Martin family. I worked with Tom for more than ten years. On one occasion, several of us attended a meeting in south Jersey. After the meeting, no one was sure of the way home. Tom said he knew the way and got into the drivers seat. We ended up in Staten Island. He was teased about it a lot.
