“ *I first met Tommy when back around 1960. My Navy pal Don had invited me to his Family's New York home for a liberty weekend. Needless to say the Rochford's treated us like gold... one instance that really stood out for me was our trip to the local pub where Tommy was the bartender. We had a great time and it was all sponsored by Tommy-- the same dollar that I placed on the bar for the drink lasted all night -- This is how Tommy was He made you feel like you were part of the family-- I considered it an honor.and a privilege to have known him.*

Rest in peace Tommy, may Heaven be your eternal joy..

Aloha Tommy, we haven't kept in touch over the years but the times we shared when we were young will never be forgotten.
