“ We are very saddened to learn of the loss of Tommy and Diane's Dad --- and their Mother, Felicia's beloved husband. I have many fond memories of Mr Sasso. Most vivid are the many times we were welcomed with warmth and friendliness when we would visit Tom at his parents home when we were all college students and then, as young professionals. I know he will be missed by many friends and loved ones---but he left great memories of his kindness and generosity for all us to try to understand and hopefully, emulate.
