“ *Dear Lucy and family, Thank the Lord for having Tom & Lucy in our lives. My deepest sympathy to the all the Gallagher family on the loss of Tom. My dad was Tom's Godfather and also his cousin. I remember visiting with my dad on Stevens Av. in Jersey City when I was around 5 or 6 and going home with an arm full of strawberries from Aunt Mary's back yard. Eventually we moved 2 houses from Tom, Jack, Peggy, & Marion & Aunt Mary and got to see them a lot. They were all wonderful people. There are more memories I could write about but, the last one I have is from 1996, right before my dad passed away, Lucy & Tom made the long trip down here to Point Pleasant to visit with my parents when my dad was so sick. Lucy, take care of yourself and tell your son Tom that we all think he is wonderful for taking care of you and his dad so well. Love, Cousin Carole###imported-begin##Carole (Gill) Adamo###imported-end##*
