“ Thoughts and prayer to all family and peer of Thomas'. I've fond memories of an ardent man whose love for family was foremost upon Toms mind and showed in his daily activities and interaction. I proudly served with Tom and worked with him daily while stationed at the former Plattsburgh AFB, in Plattsburgh, New York. My heart will skip weaker once daily knowing he's no longer with us yet it will beat once daily stronger knowing full well he peers upon us with a Smile and perhaps even a laugh. I will think of Tom often.###imported-begin##D. James Powers###imported-end##

“ Mary, Tommy, Jason and all of Tom's family. My heart goes out to you. I can't believe he's really gone, I always thought if he held out this long, he'd still be around. Tom would be the miracle. But it was not to be. I'll always remember the old days at CMP and Tom's rise to the top. The fun we had when we all worked as a group, the late nights, overtime, and the lunches at McAnn's. The fun, laughter, tears and prayers. We went through a lot of living together. You're in my thoughts and prayers. Tom will always be in my memory.
