

Tina C. Powell

October 25, 1966 - June 5, 2026

Tina C. Powell, 59, of Yardley, PA, died peacefully on June 5, 2026, at Villa Marie Claire, surrounded by the people she loved. Born October 25, 1966, Tina was a mother, digital marketing entrepreneur, podcast host, and community builder who had a rare and beautiful gift: she made everyone around her feel truly seen. She remembered the details. She showed up without being asked. She had a way of looking at the people she loved and helping them see in themselves what she had always seen in them: that they were capable, worthy, and meant for more.

Whether she was championing women leaders on her podcast *In The Suite*, creating Lung Cancer Strong to bring hope to fellow patients, building a thriving career in digital marketing, or simply being present for the people she loved, Tina poured herself into everything she did. She pushed those around her to be their best, celebrated their wins like they were her own, and never missed a beat when it came to being there.

A proud alumna of Fairleigh Dickinson University, where she earned her BS in Business Management Magna Cum Laude, and New York University, where she completed her Master of Arts in Graphic Communications Management and Technology with a perfect 4.0, Tina believed deeply in the power of education and led by example in everything she pursued.

She is survived by her husband, Mark Germain; her mother, Joanne Sutera; her brother, Anthony Susco; her children, whom she called her greatest achievement — Rachel Rosenberg and her husband Michael, and David

Powell and his wife Janelle; and her three grandchildren, Mackenzie, Lola, and TJ.

Memorial visitation will be held Friday, June 12th from 2:00–8:00 PM at Volk Leber Funeral Home, 268 Kinderkamack Rd., Oradell, NJ. A Funeral Mass and Burial will follow Saturday, June 13th at 10:30 AM at St. Andrew's Episcopal Church, 47 W. Afton Ave., Yardley, PA. In lieu of flowers, donations in Tina's memory to Villa Marie Claire, the LUNGeivity tribute fund (<https://fundraise.lungevity.org/campaigns/In-Memory-of-Tina-Powell>), or St. Andrew's in Yardley are warmly welcomed.

“ My memories of Tina go back to the early days of little league with our boys, David and Tommy. Tina immediately embraced my Tommy, and it impacted his childhood. As caring as Tina was for others, she was a fierce protector of her own, David and Rachel. I had a front row seat watching Tina nurture her children. In the earlier days of her career, Tina impressed me with her entrepreneurship as CEO, and team at Powell Graphics. She was the “I” before AI existed. Tina’s creations amazed me. She even took the time to help me with my own personal invitations. No charge. That’s Tina, always giving of herself. She also sponsored our little league team. With Powell Graphics proudly displayed, we won the Little League Championship. Another impressive fact about Tina is that she is a Black Belt. I was also blessed to see her achieve that feat and join in a very special celebration of her accomplishment. Celebrating Tina is easy and there is so much to celebrate about her. Thanks for your love, as we honor your incredible life.

“ Mark, Rachel & Dave. I’m so deeply sorry for your loss. Tina meant so much to so many people and always spoke so proudly of all of you—her face would light up whenever she mentioned her family. When I lost my dad, what brought me comfort was the thought that love doesn’t leave us—she is with you in everything you do and love. We were lucky to have known this person and even though her time feels too brief, it was worth more than anything. Dear God, please hold Tina and watch over her family. My favorite memory with her was our visit to the MET—she knew how to have fun.

“ Tina was a lovely and joyous soul. I am grateful for the time I was able to spend with her, the laughs we shared and her perpetual optimism which turned out to be contagious. There was nothing she couldn't do, and if there was a will... there was a way. I am most thankful for her legacy which lives on in her beautiful children and grandchildren. May they always remember, their mom and grandma was a force and made the world a better place through her love and kindness.

“ I just heard of Tina's passing two days ago, and to say I'm in shock and heartbroken is an understatement. Even though I had not seen nor spoken to her in many many years, she is woven into the fabric of my youth, and the memories I have of her are joyful and precious. She was my best friend for a time, and I'll never forget her beautiful smile, bubbly personality, and the immense fun we had together. Today and forever I will be reliving those memories. My heartfelt condolences to family during this difficult time. I am so so sorry for your loss and will be keeping you all in my thoughts and prayers.

Rest in peace, sweet Tina.. "Like TOTALLY..to the MAX!" ;D
