“ Dearest Haywood Family, I'm sending my heartfelt sympathy to you knowing what a deep loss you have experienced. We know that God will have wonderful things in store for Papa Haywood and he will always be in your heart and that's the thought that you must always remember...His memory will always be with you and your children, cry for him, talk to him, never let a day go by without a thought of him and he will continue to live on through all of you forever..My love, thoughts and prayers go out to you and I wish there was no distance between us so I might be with you, to comfort you and return the love you have shown to me in the past...I miss you all and may God watch over all of you during this very difficult time.
