“ *I did not know Victoria, but know Tracey from working with her in the Teaneck School System. I wanted to let the family know that I was so sorry to hear of her passing. Please know that my prayers have been with you during this time, and hope that all the wonderful memories of time spent with Victoria will help to sustain and heal your pain in the years ahead.*

“ *I was saddened to hear of first the passing of Viki. I have known Viki since she was about 15 years old. Her husband Donal happended to be my best friend. Almost like my brother. That made Vki almost like my sister in law. She was a wonderful spirited person always a kind words and a smile on her face. She was easy to talk to and she was understanding person. I always felt that donal was one the luckiest people in the world to have met date and eventually marry Viki. Even though it has been close to 20 years since the last time I have seen her. The pain in my heart is no less painful. I pray for her family Daniel and Eric. As well as her sisters and brothers mom and dad. Our lost is God gain. To god be the glory for the things he ahs done. May the family find comfort and the peace of God who passes all understanding. John M*
