“ Dear Cathy & Chris, when I was in Bolivia in June the sad news about my dear friend Victor's death reached me and I want to extend my deep condolences to you and to all your family. A lifetime ago Victor & Jim became my first friends in the New-World and did influence my early <man-hood> and career. Jokingly, Victor named me his "son of the war" and indeed on many occasions I felt he being my father because I was taken up in your family so naturally - in good as in bad times.- Although I have not heard from him for some time, he has been always on my mind over the decades and I will cherish the memory of his good humor and friendship! Mit stillem Gruß, Christoph###imported-begin###Chris Boosfeld###imported-end###
