“ Just this past spring we were talking with Virginia in preparation for our trip to Ireland. She was so excited for us, and was a treasure trove of family information. Although we didn't get together often we will miss her and her memory will be dear to us. We know Virginia's family will miss her and our prayers are with them.

“ *In September, I thought of Virginia and I wrote to her on facebook. (She was a great writer! Her comments were detailed and intelligent.) Below is my facebook message to Virginia. (Her gifts were intelligent too. She will be missed.)*

*September 1, 2017. Hi Virginia! How are you? Long time, no chat. I was thinking about you because of your gift to me when I graduated from Fordham Prep. It was the Webster's Dictionary. It is the gift that keeps on giving, literally! 23 years later, I am still using your gift to look up words that I don't know. Thank you for this gift. It is lasting the test of time. Love, Brian*
