“ I worked for Mrs Statile as director of one of her programs at VHS - she was the most compassionate and passionate people that has ever or will ever be in the health care business. She was a Titan of advocacy and managed to tirelessly wiz around n those high heels day in and day out . I learned more from her in the time I was there than any other position Ive ever had . The world was made a better place because of her.....

“ I met Virginia nearly 10 years ago when I went to Paterson to interview to volunteer in the Home Care Options shopping program. She was cherished by everyone and will be sadly missed.

“ A very sad day for Visiting Homemaker Service of Hudson County, Inc. (VHS) founded by Ms. Virginia Statile in 1957. Ms. Statile was a champion in NJ for Home Care. She will be missed by me and other staff members who remember her with fondness. A lovely woman. My prayers are with the family through this difficult time. May God give you strength to endure. Remember her as she was loving, kind and really funny.

*My deepest condolences,
Reina Mayor

“ Love this woman. She gave me a job that spearheaded my career. I will never forget her zeal for what she did and how well she did it. I had the pleasure of being honored with her, but the true honor was sharing the stage with her. I am so glad she was able to filter her passion for excellence down to me. May she rest in peace.

“ My condolences to the family. I shared several trips and many Saturday afternoons at the opera with Virginia. She was always a fun and lively companion, with more energy than many people half her age. God rest her soul.

“ To Ron and his entire family, My sincere condolences on the loss of your Mom. I hope that I can be as active and "with it" well into my Senior years as Virginia was in hers. What a wonderful life to remember and an example for all of us to follow. I often asked her what her secret was and she said that you have to be able to laugh things off and not take problems too seriously, and just keep going!
