“ *I was saddened to hear of Walter losing his battle with brain cancer. My thoughts and prayers are with all his family, and my fellow North Bergen classmates who were blessed to know him and call him their friend. He was one of the nicest people I had the privilege to know and go to high school with. He will be missed.*

“ *I went to high school with Walter and worked with him briefly as well. We lost touch many years ago and I was very upset to learn of his passing. I didn't know we lived in the same town: Paramus. I would have looked him up. He was such a kind kid, quiet, but he had a good heart. I always liked him and I truly regret not getting in touch with him again.*

*I will keep his family and friends in my prayers. I am so very sorry for your loss.*

*Matthew 5:4 Blessed are those that mourn, for they will be comforted.*
