“ There are so many memories - high school track, Social "T's" parties, Sag Harbor trips all the way to the Penn Relays; all the smiles and laughter. I remember pushing one of the cars to the gas station to get 25 cents of gas to go somewhere laughing all the way. We grew up a little at a time. It was so much fun hanging with you and and the guys. See you down the road my brother.

“ One of the nicest things that came from marrying my husband, Jacob, was being introduced to his circle of friends, with Dale, being one of his closest. From the very beginning, he made me feel like "one of the group." He was a warm, generous, person with a heart as big as the world. He was everyone's protector, and loved to laugh. Many a day I would pass by my husband's office to hear him laughing uncontrollably w/Dale over some story from their youth. They went back a long way together, having houses next door to each other growing up. Many a night I would hear stories from Jacob about Dale and his brothers and sister, along with his mother.....going to the beach or to Cherry Woods, going for joyrides....all the things that you do growing up. Dale will be missed beyond anything that can be said here. Those types of friendships, being over 62 years w/my husband, or 25 years with me, are once in a lifetime. I feel very proud and honored to have been his friend, and for his family to have opened up thier home and hearts to me. He will continue to live in our hearts. May his soul rest eternal.

“ May you rest in peace. Our hearts, thoughts, prayers and sympathies are with your family. Our dogs, would get together once in awhile if we were walking them at the same time. Scooby-Dee will miss seeing you on her walks. You are reunited with your beloved son and in knowing that it gives us some measure of comfort. You will be greatly missed by all that knew you....

“ My memories of Cousin Dale include many from boyhood, a bit dimmed by the inexorable passage of time. Another is his being a welcome guest with Valerie at Jeanette's and my wedding.

And how could I forget when he spoke with the perfect mix of eloquence and appropriate humor at his own Mom's memorial service? Most recently he made my 65 birthday party a better occasion by his attendance...I am so glad to have seen him then!

Please know, Valerie, Charisse, Grege...likewise my cousins Glen, Myles, and Michelle with all the rest of the Morris clan that Jeanette and I are remembering you all in our prayers; I offer this one now:

"Heavenly Father, God of all comfort, may the everlasting comfort of the Gospel of Your Son Jesus the Savior of the world come with the power of the Holy Spirit to the loved ones of my kind, gentle, and strong cousin Dale. Amen."

Love to you all from the Graham clan.
