“ *At my Great-Great Uncle Shelly's 80th birthday party seven years ago, Walter taught me how to play poker. I won \$5.00, and Walter joked he would never play with me again. It was fun and we have photos. Uncle Shelly will really miss his dear cousin at The Club. Shelly is a member since 18 years old. Walter also came to our house 15 years ago to fix tile in the tub.##imported-begin##Matt##imported-end##*

“ Dear Aunt Ellen and Jim, I received the sad news about Uncle Walter this morning. My parents and I mourn his passing with you. Dad, especially, is taking the news pretty hard. Even though I haven't seen him in a long time, I have many dear memories of Uncle Walter. As a child, I loved fishing with him and my dad, and I loved traveling to the Gropp's farm with them while they hunted. He holds a very special place in my heart. Please know that you're in my thoughts and prayers. Love, Sally##imported-begin##Sally Brugnoli-Crane##imported-end##

“ We are heartbroken about your loss and our prayers are with you. Uncle Walter and Uncle Russ were my favorites. I have many memories of the hunting crew and I can still see my Uncle Walter wearing my communion veil with the sun shining on his head. My father still gets such a kick out of that. He was such a big part of our life. When my father tells his stories to our children Uncle Walter is always involved. It gives us such pleasure to hear my father chuckle when he thinks of him. Uncle Walter is my father's best friend and this is such a sad day for all of us. My love to you all, Mary Ann Brugnoli Rone##imported-begin##Mary Ann Brugnoli##imported-end##
