“ Dear Wanda, I would always remember the time we spent riding back and forth from NYC on the bus and subway. You were always energetic and so full of life. Know you are resting somewhere far, makes me sad but I am also glad you are free from pain. Rest and smile. We will meet again one day.

“ Dear Angel & family,
I can't begin to express how deeply saddened I am to hear about Wanda's passing. My heart aches for you during this incredibly difficult time. Wanda was such a beautiful person, inside and out, with an infectious smile and a personality that lit up any room she entered.
I remember how she always went out of her way to greet me whenever we bumped into each other at the CHFS building. Her warmth and kindness were truly remarkable, and her presence will be sorely missed by everyone who had the privilege of knowing her.
