“ *Tina and family, the Quirk family extends it condolences and love to all that have become part of your family. It is with great pleasure that your family is growing including a grandson named Liam coincidentally my brother's grandson is named Liam to I will wonder what kinds of friends they might be. I am sure that if anything like what I had in Wayne they would surely be blessed. I know Tina your road was difficult but your family lives on. Tina both myself and Coleen give our love and condolences to all your family. I always missed Wayne and now he has left us I am sure it is to a better place. Love Tommy Quirk*
