“ *Still in shock to find out that you are gone, Willie. We received your Christmas card and we always think back to the liquor store when you delivered for George and I. We became fast friends and I joined your Laura and Hardy group. You always called me to go to the meetings with you and would pick me up. You were always such a gentle person and a very caring person. My son remembers you fondly from the store and since he was a cop we will make a donation in your name to the Police Athletic League. Rest in Peace my friend.*

“ *Bill & I were friends for about 64 years. He was the best friend a guy could have. Can't remember him ever getting angry. We had plenty of laughs growing up and along with other friends enjoyed each other's company in our later years. I miss him.*

I will make a donation to Holy Trinity Church in Hackensack in Bill's name

God bless you all.
