“ Truly Very sorry to hear about Billy passing. Bill was one of my brothers best friends and a regular in our household growing up. I was a grade above, in Bobby's class. Billy had an infectious smile. He was always laughing, always smiling, always in a good mood. It was such a pleasure to be around him. When my brother had dire medical problems having a life threatening brain tumor, Billy was frequently there to be a truly good friend. Though I havent seen Billy in many years, hearing this news has brought some tears to my eyes. He led a good life and was loved by many people, and I hope that his family and friends can take solace in that. Goodbye friend!

“ It is with a heavy heart that I have learned of Bill's passing. Bill, along with another, was my best friend growing-up. Although the miles have kept us apart, I have thought of him often and with a warm smile. The world is a smaller place without him.

My prayers and condolences go to his family.

“ My Dearest Bill,

You have been such a dear friend and inspiration. You brought so much laughter and love to lives of each person you touched. I have countless and fond memories of us from those crazy snow days we had, concerts, long talks on front porch and fun days at the Jersey Shore. You are my Angel now. When I look up to heaven, I will see you smile forever and always. Till we meet again my friend.
