“ *My Condolences are with the family of William Vericker. I came to know Mr. and Mrs. Vericker through the stories and conversations with their son, Steve. No son was more proud of a father than Steve was of his. William Vericker is honored on a daily basis by the words and actions of his son. Though I never had the opportunity to meet Mr. Vericker...I knew him...and through his son...I came to honor him. Gary Stone Indio, CA##imported-begin##Gary Stone##imported-end##*
